AEG  2026

CHATTANOOGA

Your Planning Committee is putting the final touches on what promises to be a great Annual Meeting. We can't wait to show y'all some genuine East Tennessee hospitality later this month!

For those who have not (yet) registered, there's still time! From exciting field courses to engaging technical seminars, bluegrass music at the Annual Banquet, and cruising through Chickamauga Lock on the Southern Belle riverboat, we have something for everyone. (And you don't want to miss trying our special AEG Ale!)

To those who have already registered and plan to attend, we wish you safe and uneventful travel to Chattanooga. See you soon!

PS Did you know Brad Paisley once sang a song about Tennessee Geology? Check it out while you're getting ready for the meeting!
