

# The AEG 62nd Annual Meeting Has Gone Mobile!

The AEG 62nd Annual Meeting has gone mobile using [Guidebook!](#)

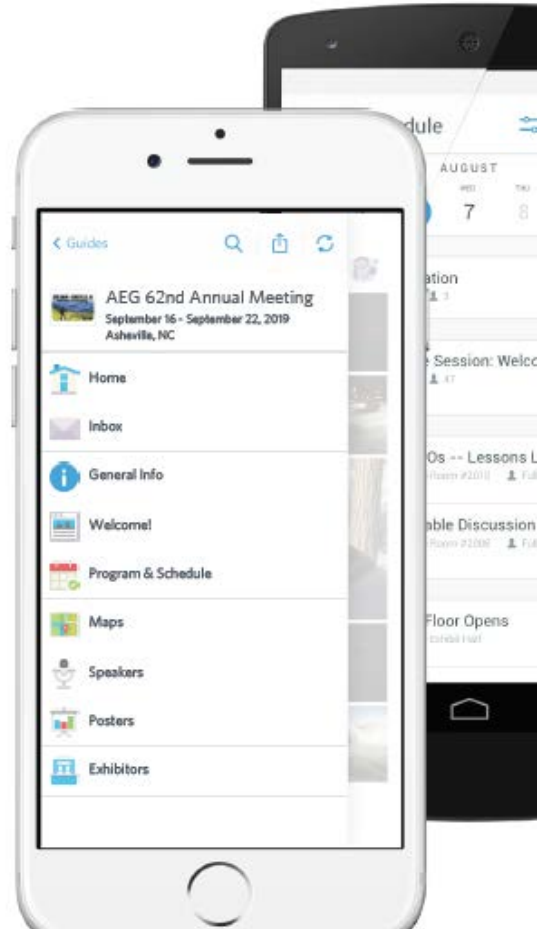

We strongly encourage you to download our mobile guide to enhance your experience at AEG 62nd Annual Meeting. You'll be able to plan your day with a personalized schedule, browse exhibitors, maps and general meeting info, and connect with other meeting attendees.

In an effort to be more environmentally friendly, AEG will not be printing daily schedules at the Annual Meeting this year. All changes to the Program will be reflected on Technical Session signage and in the Guidebook mobile app.

The app is compatible with iPhones, iPads, iPod Touches and Android devices. Windows Phone 7 and Blackberry users can access the same information via our mobile site at <http://guidebook.com/g/aeg2019>.

Enjoy the meeting!
